*SUBSTANCE OF THE INTERVIEW*

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Interview conducted on August 15, 2007, the following remarks are submitted in connection with the above-identified application. **Remarks** begin on page 2 of this paper.

**REMARKS**

On August 15, 2007, two telephone interviews were held with the Examiner to discuss rejoinder of claims 30-32 to the present application, and amendment of claims 10 and 30-32 to recite the transitional phrase "consisting of" instead of the term "comprising". This amendment was approved by Applicants' Representative and effected by the Examiner in the Examiner's Amendment of August 24, 2007.

The additional amendment of claim 25, dependent from claim 10, to also recite this term, instead of "having", while not expressly discussed with Applicants' Representative is agreed to as consistent with the Amendment to claim 10, although unnecessary as "having" in the context recited in claim 25, is already "closed" language.

If any questions remain regarding the above matters, or in efforts to advance prosecution, please contact Applicant's representative, Mark J. Nuell, Ph.D. (Reg. No. 36,623), at the phone number listed below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Date: NOV 21 2007

Respectfully submitted,
